Background/Supporting Information

The Police Department received \$249,600 from the State of Minnesota for the State Gang Strike Force for Minneapolis. However, due to budget and staffing constraints, the MPD has withdrawn two officers from serving on the Metro Gang Strike Force. This withdrawal is reflected in the contract amendment and the decrease in the contract and appropriation amount. The grant continues to fund overtime for six Minneapolis officers to serve on the state Metro Gang Strike Force and funds vehicles for their use. The grant operates over two years.
